I. Please write a thoughtful essay on what your service work has meant to you over time. What have you learned from your experiences? How has it changed your perspective, your vision of the world, your goals? How does this experience affect how you live your life, now and in the future?

II. Please have a commendation letter emailed to Ashley by someone who has supervised your volunteer work. You can copy and paste the following information into an email to the supervisor/coordinator, etc:

Student Name:

To Whom it May Concern,

We recognize the demands on your time, and we appreciate the efforts you expend on supervising teenage volunteers at your agency. The above-named student is applying for membership in the Service Honor Society of Windward School. As part of this application procedure, you are being asked to evaluate this applicant's participation in service work at your agency.

Please write a letter and email it to Ashley Goodman, Director of Service Learning, at agoodman@windwardschool.org. Your letter will be reviewed as part of the record of service, which will determine this student's inclusion in the Society. Your frank assessment of the value of the student's participation in your agency, and in particular of the spirit with which this student approached this work, will be most helpful to us in our deliberations. In any case, the student will have the right to review this letter.

Thank you,

Ashley Goodman
